Dear Parents,

The Every Student Succeeds Act (ESSA) is designed to ensure that all children have opportunities to be successful in school and to obtain a quality education. As part of ESSA each state and school district must develop plans for all children to be taught by certified teachers. According to this law a certified teacher is one who is certified or licensed, holds a bachelor's degree, and has demonstrated knowledge and skills in the area he or she teaches. Also, the law requires parents to be informed when their children are not taught by a certified teacher.

We are fortunate that			has agreed	to substi	tute for
