

**BEAUFORT COUNTY SCHOOL DISTRICT  
TITLE I SCHOOL PLAN**

School Code #: 33

School: Beaufort Elementary School

Principal: Melissa Holland

Title I Allocation #####

Date: 4/27/2018

Please note that Title I funds have been allocated to support students. The aim is to expend funds on student focused programs and instructional initiatives that are currently being promoted by the District. **Title I funds should only be earmarked for purposes that directly support the core instructional programs (ELA, Math, Social Studies & Science) for the students. No more than 1% of this budget can be used for incentives for students\* and/or staff\*\*.** *Out-of-State Field Trips may be denied at the state level!* Food costs should never exceed \$10.50 per plate (including all service charges and taxes). **Title I Funds may not be used for food purchases except for Parenting Events that are informative or instructional.** Please prepare this sheet and submit an electronic copy to Terry Bennett. It will then be submitted for you to ISD for approval - once the plan is cleared and ISD signs off - I will inform you and request a signed hard copy.

**I. Briefly indicate your plan to improve student achievement (bulleted format):**

- \*Employ a half time numeracy coach to support teacher, students, and parents
- \*Employ a full time parent liaison
- \*Family curriculum nights and parenting workshops to support students and families
- \*Employ a half time behavior management specialist
- \*Employ a reading interventionist teacher
- \*provide STEM field trips
- \*Provide PD for teachers to give skills for increasing student achievement
- \*Provide teachers with materials needed to implement engaging STEM lessons

**II. Briefly indicate your projected use of funds and the purpose behind the expenditure.**

- \*Numeracy coach and parent liaison will coordinate events such as curriculum nights and parenting workshops that will provide support to students and their families by informing parents about curricular expectations, grade level standards and skills to promote positive academic and social & emotional development.
- \*Reading interventionist will provide interventions and enhance instructional practices and create an environment that is child-centered and meets the individual needs of each student.
- \*Behavior management specialist will help to create an instructional environment that promotes the student's academic achievement through the development of school appropriate social and emotional skills
- \*STEM field trips for all students grades PreK to 5th grade. This will provide students with experiences they would otherwise not have the opportunity to participate in. These activities will provide students with background knowledge, build vocabulary, and develop understanding.
- \*PD opportunities will be provided to teachers that will increase student achievement. The focus will be on providing engaging lessons, developing soft skills, and forming cooperative teams that will be the basis for increased student achievement.
- \*Materials/supplies for teachers to be able to implement STEM engaging STEM related lessons
- \*Incentives for students as we implement our new school wide behavior system of House Boats - improving student achievement by having an increase in focus during classroom activities
